Jamie Campbell is Director of Organization Development at North York General Hospital, Toronto, Ontario. He has over 20 years' experience working with individuals, groups and organizations in facilitating learning, change and growth in the healthcare sector. Building on his background as an educator, presenter and facilitator of change processes in both the private and public sectors, his current duties include overseeing a dynamic team responsible for leadership and talent management, non-clinical training, strategic and continuous planning support, and enhancing organizational culture. Jamie is a member of the Canadian Society of Training & Development, the Human Resources Professionals Association of Ontario, the Association for Creative Change in Organization Renewal and Development and is a former executive member of the National Staff Development Council Ontario chapter.
