

## Kishore Visvanathan

@ dr.k.visvanathan@sasktel.net

Kishore is a graduate of the College of Medicine at the University of Saskatchewan, where he is now Clinical Professor of Surgery. He received his FRCSC after completing urology training at the University of Ottawa. Since 1992, he has practised urology in the Saskatoon Health Region.

Kishore's interests are quality improvement and clinical practice redesign. He is co-chair of Saskatchewan's Improving Access to Specialist and Diagnostic Care Initiative. Kishore teaches the principles and application of health care quality improvement to health care students and professionals at the University of Saskatchewan, and across Canada.
